MEMORANDUM

TO: Board of Directors
FROM: Kaitlyn Norris, Public Affairs Specialist and Hester "Fritz" Petropoulos, Water Use Efficiency and Education Coordinator
DATE: October 9, 2024
SUBJECT: Public Affairs Fiscal Year 2025 Plan

RECOMMENDATION

Receive the presentation.

STRATEGIC PLAN

Goal #4: Increase favorable opinion of Mesa Water.
Goal #6: Provide excellent customer service.

PRIOR BOARD ACTION

None.

DISCUSSION

Mesa Water District's (Mesa Water®) outreach program aims to connect Mesa Water with its customers and constituents to achieve Goal #4 of the Board of Directors' (Board) Strategic Plan. Outreach activities that increase favorable opinion of Mesa Water include informing the District's constituents about Mesa Water, current water issues, and water-use efficiency.

In Fiscal Year (FY) 2024, staff continued the concerted effort toward enhancing the Public Affairs program to increase awareness with customers about who their water provider is, and that Mesa Water delivers a 100% local water supply, as measured by the annual customer survey. Staff leveraged the New Customer Welcome Program and 25-Year Anniversary Program, hosted in-person events, participated in various community events and used its owned communication channels (social media, direct-mail, earned media and newsletter) to continue to expand reach and amplify messaging to customers and new audiences.

In FY 2025, staff will continue to leverage its Public Affairs program, looking for new ways to increase awareness and expand outreach to customers. The opening of the Mesa Water Education Center (MWEC) will offer opportunities for customers to visit and learn where their water comes from and Mesa Water's unique redwood story.

Field trips and tours will be the cornerstone of the MWEC programs, with a goal of hosting 50 field trips and tours in FY 2025. Service area public and private schools, homeschool groups, community organizations, as well as water industry groups will all be invited to tour the MWEC.

The MWEC will be a venue for Mesa Water hosted meetings, classes and events such as Water Issues Study Group, Neighborhood Chats and the Institute for Conservation Research and Education Poster Symposium. It will also be a destination for civic, business and industry meetings such as the Water Loss Control Group and the Water Use Efficiency Coordinators Work Group.

Outreach events continue to be a highly effective channel for interacting with the public. Plans for FY 25 include hosting the Yo Amo Mesa Water event in Division One, in addition to annual sponsored community events such as Concerts in the Park and Lions Club Fish Fry.

With the addition of a Water Use Efficiency and Education Coordinator to the Public Affairs team, Mesa Water will take on Objective C of Strategic Goal #4 to increase customer knowledge about water-use efficiency and water-wise resources in the following ways:

- Revamping the rebates section of the Mesa Water website
- Sending a postcard about rebates
- Including rebate information as bill messages
- Posting social media messages about rebates
- Incorporating a rebates flyer as an additional component of Mesa Water’s popular new customer welcome program

The Public Affairs team is also working to increase Mesa Water’s visibility in the community by implementing phase I of the “Detail the District” plan to accomplish Objective A of Strategic Goal #4.

FINANCIAL IMPACT

In Fiscal Year 2025, \$1,047,550 is budgeted for Public Affairs Support Services; \$140,980 has been spent to date.
